Outpost Ice Arenas is a 97,000 square-foot facility that boasts two NHL-sized ice rinks and two curling-sized training rinks, as well as a fully-functional kitchen, snack bar and pro shop. Located on the northeast corner of Albuquerque, Outpost Ice Arenas are conveniently located off of Tramway Blvd NE. The 300-stall parking lot and main roads provide easy access for large vehicles.

The facility can seat nearly 1,000 people in the main arena and 450 in the other, making it suitable for large film and television productions, as well as smaller projects and commercials. The North Rink is outfitted with a small video production facility that includes multiple audio and video production equipment items.

Additionally, the Outpost Ice Arenas has a separately located 5,000+ square-foot Speed Gym/Hockey Training Center situated near the front of the arenas that is wide open space with rubber flooring.

Outpost Ice Arenas is home to the New Mexico Ice Wolves, a junior A hockey team in the North American Hockey League. Our thriving youth hockey, figure skating, curling and adult hockey programs could also be a great source for extras.

Main Lobby Area

North Ice Rink

The Outpost Ice Arenas serves the Albuquerque community ice sports market on a year round basis. Please schedule in advance.

Seating in South Rink

The North and South Rink are both equipped with multi-channel, high-fidelity sound systems which support multi-media inputs and public address capabilities.

Center Ice Grill™ and Kitchen

In addition to multiple ice rinks and seating areas, Outpost offers a variety of room settings including a concession stand, full-service kitchen, business offices, team locker rooms and more.

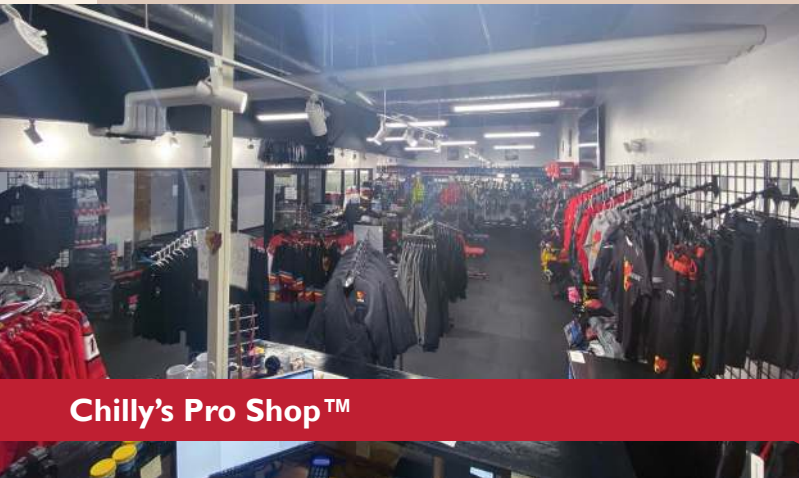

Curling/Training Rink

There are two curling/training rinks connecting the two NHL-sized rinks. The corner boards lift for easy access to this space.

Speed Gym/Hockey Training Center

The state-of-the-art Hockey Training Center is 5,000+ square feet and features two garage doors and a large open area with rubber floors.

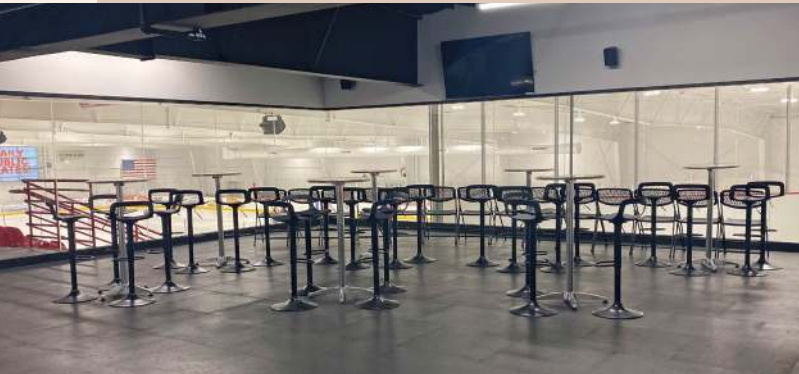

Chilly's Pro Shop™

Outpost hosts the only Pro-Shop in the state and can outfit our hockey teams, figure skating clubs, and order items not in stock.

Scoreboards (North and South Rinks)

The North Rink features LED multi-screen scoreboards/video screens, while the South Rink has traditional LED digital scoreboards.

Sandia Suite overlooking the North Rink

Front Mezzanine Entrance

The Outpost Ice Arenas serves the Albuquerque community ice sports market on a year round basis. Please schedule in advance.
